Tax hike mild in spite of major projects

With more than \$350,000 in capital expenditures planned for this year, the 1988 budget for Anson, Hindon and Minden Townships will shoot up another nine per cent.

There is good news, though, for municipal rate payers. When combined with the education and county levies, the overall average residential tax hike will be only 3.32 per cent.

In a brief accompanying this year's budget, council lists 11 capital projects which are expected to cost \$814,028. Government funding will cover \$457,062 of this, leaving the townships to pay the remaining \$356,866.

The capital projects are as follows:

- Replacement of the roof on the municipal building and repairs to the court room and council chambers at a cost of \$32,000;
- Structural repairs to the arena at a cost of \$18,000;
- Implementation of the energy conservation program at the arena at a cost of \$76,160;
- Completion of phase two of the Bobcaygeon Road at a cost of \$404,000;
- Improvements to the Scotch Line Dump Road for \$50,000;
- A waste management study for the Scotch Line Dump at a cost of \$68,500;
- Establishing a reserve fund for the purchase of equipment and a truck. \$17,800 was placed in this reserve.
- Parks projects will total \$34,000 and the Utilities Department will be spending \$34,000 on capital projects. The cemeteries will be spending \$10,900. And the Ontario Neighbourhood Improvement Program will cost \$89,218 this year.

The structural work to

the arena was needed to avoid the possible closure of the facility. Part of the costs to be incurred by the Utilities Department will be to increase water volumes in the built up areas around the arena and for the new seniors apartments which will soon be built.

The bylaw to approve the 1988 budget estimates was passed at last Thursday's council meeting.

And while the municipal share of the taxes will be going up by almost nine per cent, the actual spending in 1988 will rise by more than 30 per cent. This year's budget estimates the spending for 1988 at \$4,292,750. This is up more than \$1-million from the previous year. At

Ride raises \$325,000

Traffic came to a stop Saturday afternoon in downtown Minden as the main contingent of riders from the Toronto area arrived for the annual Ride For Sight. Led by the OPP Golden Helmets, the last of the team is seen on the right, the procession was estimated to contain over 1000 motorcycles and stretched back for seven miles. For more photographs and a report on the weekend's activities, see pages 22 and 23.

Murder charges finally laid

A charge of first degree murder has been laid against two people from Eagle Lake following a lengthy investigation into the disappearance and death of Douglas Rate also of Eagle Lake.

The Ontario Provincial Police arrested and charged Deborah Louise Harris, 38, the estranged common-law wife of the victim, and Richard David Collins, 28. The arrests took place Thursday at their residence in Eagle Lake.

The arrests followed an intensive police investigation that began after Rate was reported missing by a friend on April 22. The police searched the bush looking for the man, and finally discovered his body some five kilometres from where his dump truck was located. An autopsy revealed that the man had been shot and that the wound had not been self-inflicted.

The two accused appeared in court in Lindsay on Friday where they were remanded in custody.

Police continue to keep a tight lid on information surrounding this case, noting that early release of their evidence could affect the trial proceedings.

The investigating officers were Constables Ken Wesley and Brian Sachs along with Detective Inspector Lyle McCharles of the OPP Criminal Investigation Branch in Toronto.

Fire crews worried, dry spell continues

High winds, warm temperatures and a lengthening dry spell has Ministry of Natural Resources fire officials worried. Local supervisor for the MNR fire operations, Tom Russell, announced last week that all fire permits have been cancelled by the ministry. Open fires have been banned, except those required for cooking, and it is advised that special precautions be taken to ensure these fires do not get out of control.

The main reason for this heightened degree of concern is the lack of rain. According to officials, little rain of any appreciable quantity has fallen

since mid-May. This, coupled with ideal drying conditions has left forests and roadsides prime targets for wildfires.

Russell reports that the local MNR crew has responded to 18 fire calls this season (since April 1). The average number for this time of year is usually 10. During the past week they were called out to deal with a fire in a field. "It's unusual for fields to burn at this time of the year," the fire co-ordinator said. "Usually the fields are green. But, the dried stubble of last year is still underlying the new growth, providing a ready fuel for the flames."

The conditions here are

repeated in other parts of the province, sometimes with even higher danger ratings. Russell reports that north of the French River, a restricted fire zone has been declared. Fires of all kinds have been banned in this area and campers have been restricted to the use of portable stoves and barbecues.

The dangerous conditions in the north have resulted in two local crews being called into service. There is a five man crew working in Dryden, and another in Timmins.

An indication of the seriousness of the local situation is underlined by

Plane crash lands in trees, injuries minor

Only minor injuries were suffered after a small plane was forced to make a crash landing in a stand of trees near the Stanhope Township Airport on June 5.

The Cessna aircraft, flown by John Cawker, 53, of Fenelon Falls, struck a hydro line while lifting off from the airport. The plane then crashed a few miles away, causing an estimated \$18,000 damage to the plane.

Two passengers, Bill Cawker, 55, the pilot's brother, and Peter Cawker, 24, the pilot's son, received minor injuries.

As a result of the plane hitting the hydro line, a fire broke out at the airport. The Stanhope Fire Department was called in to control that fire.

This single-engine Cessna came to a not-so-gentle landing in a stand of trees shortly after take-off from the Stanhope Airport on June 5.

Two passengers suffered minor injuries and the plane sustained \$18,000 in damages.

Budget

It's a relief to see that while spending by the municipality of Anson, Hindon and Minden will be going up by more than a million dollars, the impact on individual rate payers is relatively mild.

Municipal taxes are going up by about nine per cent this year, which is less than we had anticipated. There have been a number of costly projects that the municipality could not put off. However, the municipality has succeeded in securing grants for more than half the total cost of these projects, which eases the blow to individual tax payers.

Especially when combined with the education and county levies, this year's tax increase for residents of Anson, Hindon and Minden Townships is not a hard one to take.

Bikers

The organizers, the bikers, the RP Eye Research Foundation and the people of Minden all deserve a round of applause for helping to create another great Ride For Sight.

With about 5,000 people from all across Ontario converging on Minden Saturday, it was plain to see that most of the visitors and residents were enjoying the huge event. And in the course of things, more than \$600,000 was raised to help find a cure for RP.

Thanks to the great organization of this event, and to a strong police presence, the ride came off with only a few minor incidents. This is the sort of event that makes bikers proud to be bikers. It also earns them a warm welcome to return again next year.

Mobile home

Being a part-time hobo

*Now the joys of the road are chiefly these:
A crimson touch on the hard-wood trees;
A vagrant's morning wide and blue,
In early fall, when the wind walks, too;*

Bliss Carman

Ah, the pleasures of the vagabond life! No nine-to-five scrabbling on the treadmill of wage slavery to make the car payments, the mortgage, and a small dent in the orthodontist bills for your first-born's class three malocclusions. No worries about crabgrass, a new boss or mustard stains on your Harry Rosen three-piece. Just ... freedom. The freedom of the sun in your face and the wind at your throat. Vagabonds don't suffer from anxiety about whether or not the place they're going takes American Express, because (a) very few vagabonds carry American Express, and (b) empty boxcars and abandoned barns seldom take credit cards anyway.

We haven't heard much about the joys of being a penniless bum over the past few years. We've been too heavily into greed. People have been more interested in fleshing out their stock portfolios and

black 'n white

by Arthur Black

sandblasting flophouses into trendy townhouses.

But times change. I don't know if it was the stock market crash last fall or if young folks have finally realized that twin BMW's, a vintage wine cellar and lifetime memberships to Vic Tanny's do not a full life make, but interest in vagabondage is on the rise. I hold the proof in my hand. It's a new publication called *The Yuppy Hobo Travel Guide*.

It's no joke either. *The Guide* is put out by - no guff, now - The National Hobo Association of Los Angeles, California. It includes an equipment and clothing checklist for the novice hobo; a rundown of the ten fastest and the ten slowest freight trains in America; a chapter on hobo sign language, a glossary of hobo phrases (farmers are clover kickers, railroad police are cinder dicks) and even

some favourite side-of-the-road hobo recipes such as *Coyote Slims Squirrel l'Orange*, which starts with the juice of six stolen oranges and ends in a flambe of vodka or gin.

Curiosity got the best of me, so I tracked down the editor of *The Yuppy Hobo Travel Guide*. He turned out to be a young and Yuppy-ish-looking Bobb Hopkins - an actor by profession, 'Santa Fe Bo' to his drifter friends when he leaves the glitzy world of L.A. and hits the open road.

He calls himself a 'recreational hobo' - which is to say that whenever the spirit moves him, Bobb Hopkins locks up his apartment, ties a few provisions into a bedroll and hops the nearest freight out of town. Sometimes it's just for a weekend; other times he stays out there until the snow flies. Santa Fe Bo says he's just the lead wave in a coming trend. He claims a "rebirth of the nomadic spirit" is underway. He admits the fact that you save a wad of money by hopping freights and sleeping under bridges doesn't hurt either.

But isn't it illegal and downright dangerous to

(more on page 5)

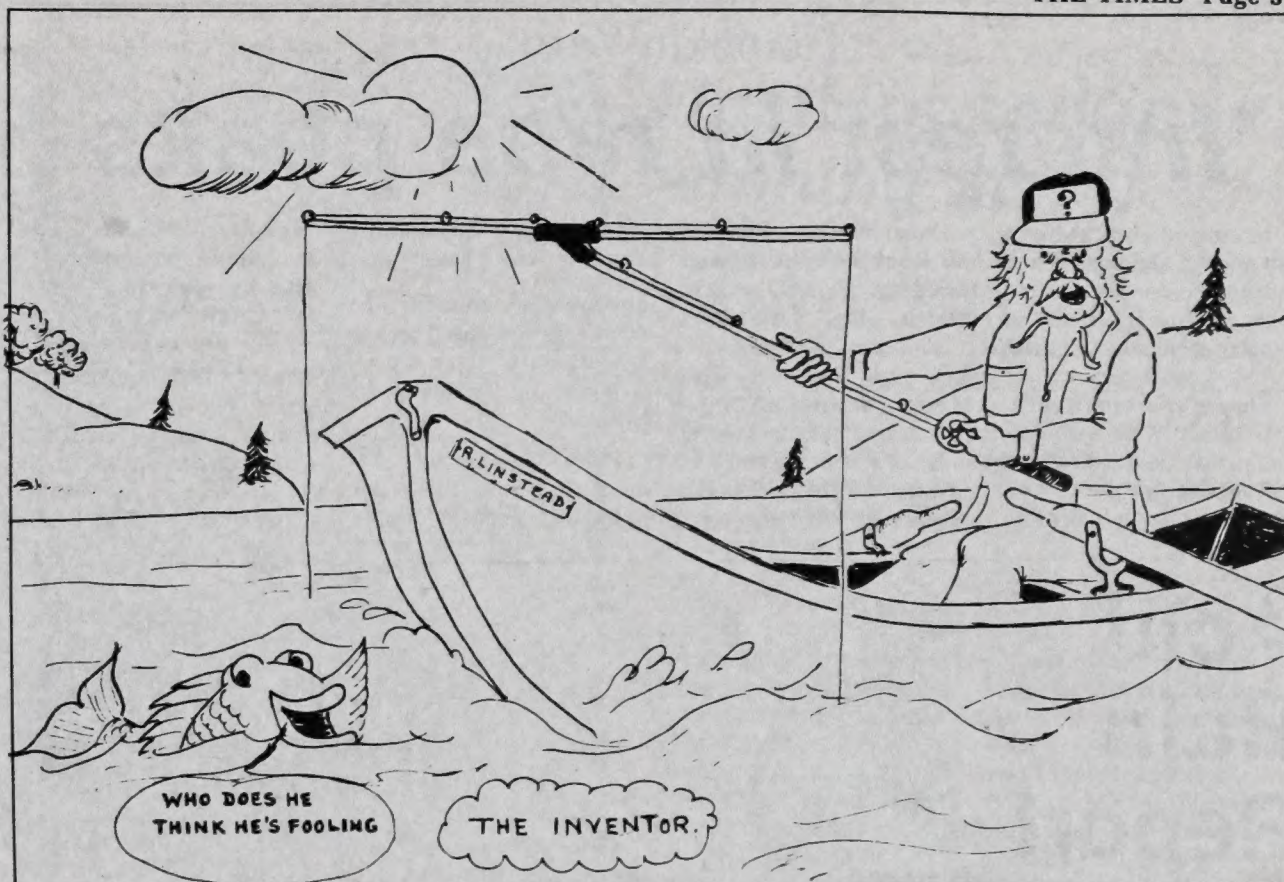

Freight hopping

(from page 4)

hop freights? Yes and yes. Santa Fe Bo, with a nervous look over his shoulder at potential future lawsuits, hastens to explain that railroad bulls can indeed be mighty mean and he isn't advising anyone to actually get out there and throw their leg up on a moving boxcar.

But I don't think that Santa Fe Bo needs to worry. He knows that the chances of the average subscriber to *The Yuppy Hobo Travel Guide* actually riding the rails through the Rockies are about as good as the chances of the average purchaser of a Trans Am muscle car driving in the Gran Prix at Monaco. The Yuppy Hobo Travel Guide is about fantasies, not vacation plans.

Still, I can't help picturing some old bindle-stiff picking his teeth and warming his hands over a can of sterno, as he watches some soft-handed, L.L. Bean-garbed would-be vagabond try to hop a freight. I can read the old-timers thoughts from here. "What" he is asking himself, "the hell ever happened to good honest hobos?"

'Life is nothing without love'

"On Sunday, I and my friend were going to the shops to buy bread at about 8 p.m. When we came out of the shops there were police outside the shopping centre and two of them were inside a yard of a councillor. When we walked past them, one of them said, 'Here are those dogs, COSAS (Congress of South African Students) dogs! 'So when we heard that we ran away. One of the Municipal police fired some shots and my friend was shot dead by the police on the skull.

"I ran to a nearby house and watched his body which was now surrounded by the police. He lay on the ground for about an hour or more. I then came out of the house and went home. I couldn't go and tell his parents because I was too shocked. The following day I went to his place. His parents had not heard of the incident. The parents went to the government mortuary where they found his body."

The story you have just read was told by a child in the black townships somewhere in South Africa.

directions

by Edward Moll

It is a story that is repeated in different forms throughout the country, but the theme is the same. The white minority government of South Africa is now waging a brutal and senseless war against those least able to defend themselves: the black children. It was not enough to arrest and detain adult men and women who peacefully participate in funerals and protest against the apartheid regime. It was not enough to hold them for weeks, months at a time, sometimes in solitary confinement, not able to communicate with their relatives, not being able to receive visits from them. No, it was not enough. Now the attack is launched against the children,

some as young as eight years old. They are now being held, beaten, tortured, killed for no other reason than that the white government is desperately afraid of them.

Afraid? Yes, afraid. And when a powerful force is afraid of children and kills them, well, it already has sounded its own death-knell. Remember Herod. Remember the Massacre of the Innocents.

Remember the One who returned.

Viren is a thirteen-year-old girl, a black child asked to write about her life.

"After finding freedom we must be united with other nations and stop apartheid, have equal rights and do what is right because we don't say freedom just to be free and do wrong. Some of the white people like blacks and others hate them because of the president's apartheid. We must love whites and they should be like us in order to build a very strong nation. Life is nothing without love".

June is proclaimed Senior Citizen's Month

by John Eakins, MPP

As many of you are aware, June has been proclaimed Senior Citizens' Month in Ontario. This is a time to honour the role of seniors in our society, to celebrate their achievements and to encourage their continuing involvement in the life of our province.

Victoria - Haliburton is blessed with a high proportion of seniors, many of whom are very active in their communities. For many people, it is a tremendous opportunity, freeing up time to pursue new challenges, become a

volunteer, travel, or start a new career.

The theme to promote this year's celebration is "Opportunity is Ageless", and it's a good slogan. Today, in Ontario, the image of senior citizens is undergoing a dramatic change. Seniors are finally being recognized as an active, vibrant force in the community. Opportunity really is ageless and age is no barrier to the enjoyment of life.

The 1988 Senior Citizens' Month celebration marks the 18th year the Ontario Government has devoted a special time during the year in recog-

nition of Ontario's seniors. Each year, the government hands out Ontario Senior Achievement Awards at Queen's Park. While it is impossible to single out all of the thousands of seniors in Ontario who have made significant contributions, it is hoped that these awards will help to increase society's awareness of the vital role seniors play in our communities.

While on the subject of designating special awareness weeks, I was pleased about the success of National Access Awareness Week, which took place May 29th to June 4th. This is the first year for

National Access Awareness Week and it's a time for all of us to appreciate the needs of physically challenged people.

Two major programs which address specific areas of accessibility for individuals with disabilities are presently being administered. The Access Fund is a capital grant program to make Community facilities accessible. The Community Action Fund involves assisting organizations in the promotion of the goals of equality and full participation of disabled persons in Ontario's social and economic life.

Trent-Severn waterway report

The stored water did decline under the high temperatures which reached 30.6 degrees C on May 30, at the Peterborough Airport weather station of Environment Canada. Some summers do not get to this temperature which was about 7 degrees higher than normal.

On May 30, the Haliburton area lakes of the Trent-Severn Waterway averaged 98.8 per cent - about 4 per cent greater than the 10-year average, and 17.8 per cent greater than in 1987. This week, the Gull

and Burnt flows have been reduced to save the stored water and halt the decline until water is needed downstream.

The Kawartha Lakes still have some surplus and flow cuts are being made on the outlets there to maintain this surplus into June. Minimum reservoir flows should suffice to maintain navigable levels to about the middle of June, provided extremely dry weather does not arrive.

Drier and warmer than normal weather is predicted for that time period.

Heinekin Yard

Interest in race peaks

Interest in competing in the annual Heinekin Yard race in Minden is still very high, and organisers are expecting to see a good turn out again this year.

This year's run will be held on July 29 with a 5 p.m. start. As usual, the spectacular finish will be on Minden's main street.

Dave Willis, owner of the Rockcliffe Hotel, and local organisers of the race, was at last Thursday's

Anson, Hindon and Minden Townships Council meeting taking care of some of the details well in advance of the event. His request to have the road

closed for two hours during the race was

approved by council. The road will be limited to one lane of traffic from 4 p.m. to 6 p.m. on the day of the race.

Reeve Sinc Nesbitt commented on how this event has grown since its humble

beginning. Nesbitt, who lives along the race course, says he remembers when there were only about 25

runners in the event. Last year there were 450 runners, and Nesbitt said it took almost an hour for the all of them to pass his property.

Acid Rain Report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing laboratory in Dorset and compiled by Environment Canada.

There was one period of precipitation recorded during the week of May 29 to June 4.

June 1 - 1 mm rain, pH 3.9 from northwestern Quebec and central Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Andy Poldas, Past President of the Minden Kinsmen Club, presents the Kinsmen of the Year award to Larry Amyotte. The presentation was made during the Kinsmen's meeting at the Pine Ridge Restaurant last week.

Good

On June 16, 1948 Bill and Lenore Prentice (nee Trumbull) were joined in holy matrimony. Some things have changed (such as the tie!) but the love is still there.

Happy 40th Anniversary Mom & Dad

Love from your family.

The Minden Kinsmen had their installation of officers during a special meeting at the Pine Ridge Restaurant on June 3. From the left are Doug Holmes, treasurer; Albert "Buck" Foster, director; Jack Prentice, director; Dan Stiver, Registrar; Warren Payne, secretary; Keith Thomas, president; Jim Carrell, vice president, and Andy Poldas, past president.

Hustlers continue winning streak

It was a week of shut-outs for the Rockcliffe Hustlers as they defeated Kent Tavern of Lindsay on Sunday evening and again Thursday.

The first game was played in Lindsay. The Hustlers took a commanding four run lead in the opening inning and never looked back as they notched 15 runs before the game ended.

The Minden attack was led by Brian Shaw who was over-powering on the mound, striking out 16 batters. Brian also turned in a strong game at the plate, pounding out a triple, double and two singles.

Back on home turf, the Hustlers continued their dominance over the Lindsay team, shutting them down 6-0. Jack Snell was on the mound for the Hustlers, striking out 11 batters. Colin Newell belted out a home run, a double and a single to lead the Minden offensive. Dwight Sisson also hit a round tripper for the Hustlers.

The season is starting to shape up for the Minden squad with four wins against a single loss. The next home game for the team is this Thursday when they take on Woodville. The action at the diamond gets underway at 8 p.m.

Sporting their new uniforms, members of the Rockcliffe Hustlers baseball team gather for a photo as team-mate Greg Newell receives a club bag from Minden fan Cy Heal. The bag was offered by Heal as a prize to the player who hit the first home park home run of the season. Newell's homer came in the opening inning

of the June 2 ball game. Members of this year's team include, from the left, Jack Snell, Dave Dollo, Doug Shaw, Barry Shaw, Bob Johnson, Elmo Lymburner, Bob Lloyd, Colin Newell, Alec Little, coach Gene Newell, Jamie Dollo, Dwight Sisson and Brian Shaw. The team plays every Thursday night at the diamond.

11 years of study

Barb Nangle receives Bachelor of Arts degree

by Anne Hewitt

Eleven years of patience and perseverance finally paid off for Barb Nangle when she received her university degree recently.

"It was a slow, steady procedure," said Nangle. "I had no idea whether I could do it when I started."

She began taking correspondence courses from the University of Waterloo in October 1977. Taped

lectures, a textbook and a series of notes were sent to her at the beginning of each course. One of the notes indicated a date when the assignments had to be completed and returned by. The professor would then mark the assignment and return it by mail. Each course had between three and six assignments, usually essays, but occasionally multiple choice.

"It's an ideal way to take courses if you have the time and don't want to travel," said Nangle. "Waterloo has an extremely extensive correspondence program. I can't say enough good things about it!"

In order to receive a university degree, a student must complete 30 half courses. Nangle took one half course during each four-month semester,

giving her a total of one-and-a-half courses per year.

Most of her courses were history related - classical civilization, religion, Canadian studies, philosophy - which entitled her to a general Bachelor of Arts.

To keep up her pace of one half course every semester Nangle had to be willing to work long hours.

"I spent my mornings

studying, and sometimes, if I had a lot of work to do it would crawl into the afternoon," she said. "I tried not to study on the weekends so that my school wouldn't interfere with my family life."

Two weeks ago Nangle and her family travelled to Waterloo so that she could take part in the convocation ceremony. She accepted her degree along with her classmates, and

hundreds of other University of Waterloo students.

"The ceremony was glorious!" she said.

At the moment Barb is unsure how she will put her degree to use, but she's not ruling out any options. She's also not ruling out the possibility of continuing her education. "I doubt I've taken my last course," said Nangle.

Watch for moose when travelling through Algonquin

During the week of May 30 to June 5 personnel at the Minden OPP detachment investigated 64 general occurrences and 10 traffic accidents.

Thefts

Black Lake - 12" Springbok aluminum boat red/gray
Harburn Rd. - Husqvar-

na Chainsaw

Moore Lake - 6 1/2 h.p. Mercury boat motor

Found

10 speed men's red bike - Haliburton High School

School buses

Minden detachment has received several complaints from local school bus drivers that motorists are not stopping. By law every driver must stop before reaching a school bus if the bus has its lights flashing.

Moose hit

In the month of May 1988 Whitney OPP detachment members investigated seven motor vehicle accidents which involved vehicles hitting moose that were crossing the road. Most of these occurred on Highway 60 in Algonquin Park.

If one travels through the Park it is not uncommon to see several moose along the roadway at any time of the day. Most of the moose are struck after dark when the driver's visibility is decreased but a couple of motorists have managed to hit them during the daylight hours.

A collision with a moose usually results in considerable damage, the possibility of injuries and the moose is usually fatally injured.

Motorists are reminded to reduce speeds and remember to buckle up

and be safe. Travelling at a reduced speed and using caution may prevent an accident.

Whitney detachment members will be increasing their patrols on area roads and will be utilizing the

"STRICT IS FAIR" and RIDE enforcement programs with the onset of the tourist season.

Board should rethink policy

The Haliburton County Library Board should be asked to reconsider its decision to charge a non-refundable fee of \$20 to non residents of the county to borrow books from any of the libraries, says Stanhope Township Councillor Jock Mavor.

The board recently adopted this new fee system to encourage people to return books before leaving the area. However, Stanhope Township Council is not pleased that the fee is not refunded when the books are returned.

At last Wednesday's Council meeting, township administrator Gerald Bain reported that this \$20 fee is non-refundable and will be charged to people who do not own or rent property in

the county. Bain had been asked at a previous meeting to find out more about the library's new fee system.

While council can understand that a fee should be charged to help cover the cost of books which are not returned, they felt the fee should be refunded. "I think that's disgusting," said Councillor Ann Barker. "I can't see why it's non-refundable."

While the fee is supposed to be charged to anyone borrowing a book who does not reside in the county for a certain period of time, and does not own property here, librarians are encouraged to use their discretion in requesting the fee, Bain told council.

Women's Institute backs recycling

Not in my backyard. The women of rural Ontario would like the rest of Ontario to do what they intend to do. That is recycle as much of their own garbage as possible, re-use packaging and other articles when possible, reduce the need for land-fill sites and the expense of waste disposal and to recover energy by processing solid waste.

Over 400 women participated in the Educate - Initiate Conference sponsored by the Federated Women's Institutes of Ontario (FWIO), held recently at Queen's University, Kingston. The theme of the FWIO for 1988 - 89 is Waste Management - Recycling. As a result of the 1988 Conference the FWIO would like to see 100 new recycling projects started throughout Ontario by 1990.

The constant use of throw-away products was aptly demonstrated when it was discovered that the panel members, on the Friday night, were using plastic throw away water glasses and a plastic jug. After this was commented on reusable glasses were on hand. Even the bows on the speaker's gifts were recycled.

Practical applications were given to the women

on how they could influence their communities. Maybe the women could raise the money to buy their community centre a dish washer instead of using styrofoam cups and paper plates suggested Pat Slater, Deputy Reeve of Peel Township in Wellington County.

John Hanson, Executive Director of the Recycling Council of Ontario told the women, that if they were told there was no funding to set up a depot for the collection for recyclable materials, that this was misinformation. There is funding but some municipalities just seem to discourage recycling. When one Women's Institute Branch presented a brief to their township asking for something to be done about recycling they were told nothing could be done unless their taxes were increased drastically.

The Ontario Minister of the Environment, Jim Bradley, told the participants that the Ontario government enthusiastically promoted municipal waste management that

included reduction, reuse, recycling and recovery as the primary alternative waste management tools. Over 70 municipalities have made use of provincial start-up funding to establish curbside multi-material recycling projects.

The over 7,000,000 tons of garbage that Ontario creates each year should be processed in the municipality that creates the garbage. The women of rural Ontario do not want the garbage of the urban centres dumped in the rural areas. They were pleased to find out that Guelph has set aside a park of 40 acres to commemorate all the trees they saved in the first year of operation of their recycling project.

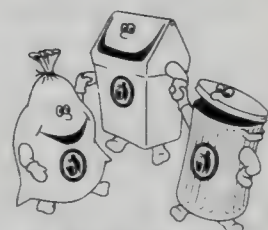

To help get the message of the Conference across to all parts of the province, the conference participants took part in a series of workshops that included fund raising, speaking with confidence, programme planning, public relations and volunteer management. As well, they saw displays on recycled articles and pictures of what

can happen to the environment when garbage is not controlled.

If you would like to find out more about what the Women's Institute are doing about waste

management or further information about the Women's Institutes, the largest and oldest rural women's organization please contact your local OMAF office.

FREEMASONRY

Setting the Record Straight

Is Freemasonry A Secret Organization?

Absolutely not. Where and when Masons meet is public knowledge, as are their objectives and activities. The only "secrets" are the ways in which Masons recognize each other.

Is Freemasonry Some Sort of Religion?

It is not a religion and the subject is never discussed at Masonic meetings. A Mason must have a belief in a Supreme Being, but his particular faith or creed is a personal and private matter.

Are Masons Obligated to Help Each Other in Business?

No, Freemasonry is not organized for member profit, career enhancement or political advantage. Its purpose is to teach morality, encourage charity and practice worldwide brotherly love.

Do Masons Ever Discuss the Order with Nonmasons?

Yes, Masons welcome opportunities to talk about Masonry. As a policy, they do not solicit new members but are always ready to respond to those interested in becoming a member.

If you have other questions or would like to know more, talk to a Mason. Or write to our Grand Lodge Office on King Street West in Hamilton for a pamphlet outlining our activities, objectives and history. The mailing address is:

Horses are central theme of latest exhibit at gallery

If you take a drive along any of the country roads in Haliburton County, you are bound to notice a number of horses grazing in the fields, lying in the shade of a big old tree or peeking over the top of a Dutch door in the corner of a barn.

Haliburton is famous for its horses, especially the

heavy breeds. This is why the art display now hung at the Agnes Jamieson Gallery should be of special interest.

The show, mainly of watercolour paintings, is the work of the mother and daughter team of Inge Cadotte and Sue Sydney. And the subject of many of

these colourful works is, of course, horses.

Having been around horses for most of her life, Sue confesses that they are her favourite subjects for painting. Her father, Inge's husband, was a driver for Carling O'Keefe, and was responsible for bringing the team of Belgians to the

various shows.

The family always had horses at home. According to her mother, Sue has been in love with animals all of her life. "I think she said horsey before she said mommy."

Although Inge also admits to loving horses, her paintings are mainly of landscapes. Her paintings are done in watercolours, acrylic ... "anything but oils," she says. Her works have sold well at other shows, and have won some awards. She admits though, that she needed a lot of prompting from Sue before she was ever willing to show her art in public.

"I had to paint all night sometimes," said Inge, to get ready for shows that Sue had entered them in. "I'd still be up in the morning when the birds began chirping. But it always got done."

Both Sue and Inge received their art training at the Buckhorn School of Fine Arts. When they completed their courses, Susan began entering their work in various shows. It was at the Blue Heron Festival in Hastings that they both sold their first paintings.

This show opened at the Agnes Jamieson Gallery on Saturday, June 4, and the following day Sue was off to Peterborough to deliver one of her paintings to the Ontario Rodeo Association. This painting will be a prize awarded to the top rider after the 15 rodeos this season.

On display at the Agnes Jamieson Gallery is the artwork of Sue Sydney and Inge Cadotte. Young Christine Sydney may soon be following in her mother's footsteps as an artist as well. The opening of the show was held on June 4.

Parking restrictions approved

Parking in front of the Registry Office in Minden will be limited to two hours in the future to discourage people from taking up those spaces throughout the day.

At last Thursday's meeting of Anson, Hindon and Minden Townships

Council a resolution to limit the parking in the six spaces along Newcastle Street to two hours was approved. The three spaces at the end of the building will not be affected by this resolution.

Council felt that the six prime spaces should be

reserved for the public to use when doing business at the Registry Office. Employees or those who will be spending more than

two hours at the office can use the municipal parking lots a very short distance away.

Ken Cox keeps an eye on the beef, while his daughters Katie and Christina keep an eye on the camera, at the Minden Agricultural Society's annual beef barbecue. The event was held June 11 at the community centre, attracting a large crowd for the tasty meal and the evening of dancing which followed. The beef turned slowly on a spit over a large barbecue pit set up beside the arena.

Snack Bar leads ladies baseball league

The Rockcliffe Snack Bar ladies team travelled to Haliburton this past week and came home with a 16-0 win. Playing a major part in the win was outstanding fielding by Linda. Laura was the winning pitcher while the loss went to Marcie.

Tuesday, West Guilford played in Minden against the seniors. West Guilford claimed the close game with the final 16-17. Winning pitcher was Melanie while Ann and Nelda took the loss.

The Rockcliffe Snack Bar team travelled to West Guilford Thursday even-

ing, and came up on the short end of an 11-9 score. Melanie and Joan were the winning pitchers, while Laura took the loss.

The win-loss record so far this season is: Rockcliffe Snack Bar 3-1; West Guilford 2-2; Minden 1-2; and Haliburton 1-2.

Grants for garbage studies

Three municipalities in Victoria - Haliburton will receive \$135,250 for studies related to waste management, MPP John Eakins has announced.

Eakins made the announcement recently on behalf of Jim Bradley, Minister of the Environment.

The Township of Stanhope will receive \$24,750 to fund a hydrogeological study for the final selection of a waste site.

Under the Waste Management Improvement Program, the Township of Manvers will receive \$42,000. And the Township of Anson,

Hindon and Minden will receive \$68,500.

These funds will pay for background studies on ground water conditions in the area.

The new executive for the Minden Kinettes is Ruth Travers, director; Norma Amyotte, bulletin editor and past president; Elsie Stamp, treasurer; Sharon Crowe, secretary; Sue Payne, president; Sheila Carrell, director, and Barb Elder, director.

Federation objects to stance of Cabinet on hunting, trapping

"The current Ontario Cabinet is antihunting, antitrapping and is, at least to some extent, biased against sports fishermen". That is the opinion of Jack Craik, President of a 72,000-member conservation group, the Ontario Federation of Anglers and Hunters (OFAH). "That's the only possible explanation for the way Cabinet has decided to ignore years of public input and renege on the provincial park regulations announced in 1983."

Vincent Kerrio, Ontario's Minister of Natural Resources, announced recently that effective immediately, trapping will be banned in all classes of provincial parks and that on 80 per cent of the parks' land base, hunting was automatically banned and could only be allowed on part of the balance on a case-by-case basis. Sport fishing will also be hard hit because even small out-board motors will be banned over the same huge areas.

OFAH Executive Vice President, Rick Morgan, explained, "In June, 1983 the previous government took the results of several

years of public comments, open houses and consultations, and announced the creation of 155 new provincial parks ... parks designed to protect and enhance Ontario's natural environment but with a realistic compromise on permitted activities within the parks. Six huge wilderness parks, for example, would allow some hunting at a time of year when others were not using the parks. Certain other activities were banned. The key word was "compromise". No one group was completely happy; none was completely unhappy. These 155 parks were to be established with most permitted uses to be determined on a park-by-park basis. All people were considered."

On May 17 that all changed, according to Mr. Morgan. "This new government decided that, without consulting the public, it would change the rules and arbitrarily discriminate against several uses and thousands of Ontario residents." Mr. Craik adds, "Whereas the previous government had listened to all of the people before making its parks

decisions, this new government only listened to those it wanted to hear. I firmly believe the personal biases of some politicians in Cabinet have interfered with fair play and decision-making."

Hunting takes place for a relatively short period of the fall. Sport fishermen only use portions of the parks. It would seem there would be little or no conflict with other users. As Mr. Morgan says, "We only want a little equal treatment."

The Ontario Federation of Anglers and Hunters is Ontario's largest provincial conservation group. It is 60 years old and has over 72,000 members.

Neighbours concerned about smell from wastes

Although only one load of septic wastes has been spread so far, residents living near Dave Stamp's property are already complaining of a bad smell.

Alex Kernohan's septic service has been given permission by both the municipality and the Ministry of the Environment to use the field occasionally to spread the sewage collected from septic systems. At last Thursday's meeting, council heard complaints from neighbouring resi-

dents who were concerned that the smell would become much worse once more dumping takes place.

Tom Reddering, representing the ministry, told council that the property meets and exceeds the

required setbacks. The waste will be spread at least 200 feet from any water course and 400 feet from any neighbours.

This site is approved for summer dumping only, said Reddering. It is to be used only when Kernohan

has nowhere else to dispose of the waste.

At a previous meeting of council, Kernohan was given permission to use the municipal sewage treatment plant to dispose of wastes taken from holding tanks. However, he is not allowed to dump sewage from septic tanks at the plant because this waste is too concentrated.

Spreading septic wastes over approved fields is a common practice. The sun and grass naturally take care of it from there.

Help for home repairs

by Doreen Hawman

Is your home in need of major repairs but with your income you feel it is out of the question? You could be eligible for the Canada Mortgage & Housing program called RRAP, designed to assist low income homeowners make necessary repairs to their dwelling.

Loans are available to upgrade the structure, electrical wiring, heating and plumbing. Overcrowding may also be considered. Depending upon the household income and the continuous occupancy of the home for a period of 5 years, a portion of the debt could be forgiven. Loans are based on current interest rates and can be paid over a period of 20 years.

If you have or intend to

have a disabled person in your home, financial assistance may be available to improve accessibility and livability in the home.

For further information regarding the RRAP program or if you have a question you would like answered, contact the Haliburton County Information Centre, situa-

ted in the Drag River Municipal Building, Maple Ave., Haliburton. The centre is open Monday - Friday 10 a.m. to 4 p.m. or call 457-2733.

For residents of the Minden area, our centre is located in the Municipal Building, Milne St., open every Tuesday 10 a.m. to 4 p.m. or you may call 286-4100.

HALIBURTON COUNTY BOARD OF EDUCATION

Financial Statements — December 31, 1987

DAWSON GRAY DART
CHARTERED ACCOUNTANTS

AUDITORS' REPORT

To the Haliburton County Board of Education

We have examined the balance sheet of the Haliburton County Board of Education as at December 31, 1987 and the revenue fund statements of operations and the capital fund statement of operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the board as at December 31, 1987 and the results of its operations for the year then ended, in accordance with the accounting principles described in Note 1 to the financial statements applied on a basis consistent with that of the preceding year.

HALIBURTON COUNTY BOARD OF EDUCATION

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 1987

1. Accounting Principles

The financial statements have been prepared by the Board using accounting principles that are prescribed by the Ministry of Education and are considered appropriate for Ontario School Boards. These principles are in accordance with generally accepted accounting principles except as follows:

(a) Accrual Accounting

Revenue and expenditure are accounted for on the accrual method except for:

(i) No provision is made for interest on unmatured debenture debt from the date of payment to the end of the fiscal year.

(ii) No provision is made to record the liability for retirement and/or sick leave benefits accruing over the working lives of employees.

(b) Fixed Assets

Fixed assets are charged to current expenditures unless financed by long-term debt. Principal and interest charges on net long-term liabilities are included as expenditures in the period due. Fixed assets including capital leases, described as capital outlay to be recovered in future years, are included on the balance sheet only to the extent of the balances of the related net long-term liabilities outstanding and of the related temporary financing at the end of the fiscal year.

(c) Reserves and Reserve Funds

Reserves and Reserve Funds represent funds appropriated for general and specific purposes and are charged or credited to revenue fund operations in the year appropriated or drawn down. The amounts in reserves and reserve funds are approved by the Board and are within the limits defined in the Education Act.

(d) Under/Over Requisition of Taxes

The difference between the net expenditures of any year and the amounts received to finance these expenditures is carried forward to the subsequent year to either increase or reduce the net revenue requirement from rate-payers.

2. Reserve For Working Funds

The reserve for working funds as at December 31, 1987 is applicable to the elementary and secondary school operations of the Board as follows:

Elementary	\$428,500
Secondary	421,500
	<u>\$850,000</u>

3. Retirement Gratuities Plan

Under the retirement gratuities plan, unused sick leave can accumulate and employees may after a certain period of employment (teaching staff - 10 years, non-teaching staff - 5 years), become entitled to a cash payment of 50% of the unused credits to a maximum of 50% of annual salary when they leave the Board's employment.

These accumulated days, to the extent that they could be used to determine the cash payment to an employee on termination, amount to \$2,235,000 as at December 31, 1987 (\$2,127,000 as at December 31, 1986). No provision has been made on account of the retirement gratuities plan.

The amount paid in the current year in respect of the retirement gratuities plan was \$119,206 (\$42,340 in 1986).

4. Net Long-Term Liability Repayments

Of the net long-term liabilities of \$168,891, principal of \$168,891 plus interest of \$32,261 is payable over the next four years as follows:

	Principal	Interest	Total
1988	39,369	12,753	52,122
1989	42,133	9,774	51,907
1990	45,412	6,585	51,997
1991	41,977	3,149	45,126
	<u>\$168,891</u>	<u>\$ 32,261</u>	<u>\$201,152</u>

5. Debt Charges and Capital Loan Interest

The Revenue Fund expenditure for debt charges and capital loan interest includes principal and interest payments as follows:

	Elementary
Principal payments on long-term liabilities	\$36,437
Interest payments on long-term liabilities	15,510
	<u>\$ 51,947</u>

6. Pension Plan Costs

All non-teaching employees of the School Board are eligible to be members of the Ontario Municipal Employees Retirement System which is a multi-employer final average pay contributory plan. Employer contributions made to the plan during the year by the Board amounted to \$39,590 (1986 \$36,160). Those amounts have been included in employee benefit expense in the schedule of expenditure.

Not shown in the financial statements of the Board are the employer's contributions to the teachers' superannuation fund. The funding for such is provided directly by the provincial government.

Local churches veto ordination of homosexuals

Ordination of self-declared, practicing homosexuals was vetoed, and marriage, responsible heterosexual living, and family values were affirmed by delegates from United Churches from across the Bay of Quinte Conference of the church.

The conference, which takes in an area of Eastern Ontario with boundaries stretching from Ajax to Brockville and north to the Algonquin Park, met in Brockville May 26 to 29. Delegates represented 350 United Churches in that area.

The basis of discussion and action was a report commissioned by the national church, entitled "Toward a Christian Understanding of Sexual Orientation, Lifestyles, and Ministry." The report dealt with the ordination of self-declared, practicing homosexuals and with the role of homosexuals in the church and its ministry to them.

In spite of strong negative feelings on the part of many delegates to some of the recommendations and rationale of the report, the conference

refused to reject the total report. Several delegates said that many of the report's recommendations are in harmony with United Church teachings and traditions.

Delegates voted two to one against ordaining or commissioning "self-declared, practicing homosexuals". However, a later resolution stated that "sexual orientation, in and of itself," is not the issue.

During the conference, delegates considered 153 resolutions or petitions, of which 47 asked that the total report be rejected.

Celibacy expected of homosexual clergy

Conference passed a petition which accepted homosexuality as an "orientation" which, in itself, should not preclude ordination. The petition implied that celibacy would be the lifestyle of these persons. This did not meet the approval of some delegates, who believe that the Bible teaches that homosexuality is a sin, not just an orientation.

Many delegates said that their decision to vote against the ordination of

self-declared, practicing homosexuals was based on the knowledge that others in the church are very much opposed to it.

All petitions to go to council

All petitions which came to conference will be sent to General Council, the national level of the church, to be considered at its annual meeting in Victoria in August. General Council will be told whether the conference's stand was concurrence or non-concurrence. Throughout the deliberations, much concern was

expressed that persons and congregations would know that their opinions and fears were heard at Conference and will be heard at the national level.

In search of consensus

The confusion, frustrations and some anger which surfaced in the Friday debating on the petitions led to behind-the-scenes searching for some method of bringing delegates together in a consensus statement. As a result, representatives of committees dealing with petitions met and formulated a composite petition.

This petition supported the principle that self-declared practicing homosexual persons are not acceptable as candidates for the order of ministry, but made the statement that sexual orientation, in itself, is not the issue as much as is what people do with their sexual orientation in daily life.

It affirmed marriage and responsible heterosexual living and family values as worthy Christian standards, while affirming the contributions to church and society that are being made by single persons.

The petition called for

the United Church to strive for an atmosphere in which self-declared homosexual persons may be received and welcomed while recognizing that the United Church is not of one mind regarding the recommendations of this report.

The document ended with a plea for continuing efforts at reconciliation for those who disagree on the question.

Later in the conference, a petition asking General Council "to initiate and facilitate a specific process

(more on page 21)

Use water sparingly

A shortage of rainfall again this summer is causing Minden residents to use garden hoses to keep their lawns green and

gardens flowering.

However, this practice is putting a strain on the municipal water supply and Anson, Hindon and

Minden Council is now asking village residents to use their water sparingly.

At last Thursday's meeting, council explained that water is being used faster than the equipment can pump it.

The municipality is requesting that people limit their watering of lawns and gardens to one hour in the evening between 7 p.m. and 8 p.m. If this request does not solve the problem, council may be forced to pass a restrictive bylaw, similar to those in force in many other municipalities.

Minden man charged in gun incident

A Minden man has been remanded in custody after being charged with pointing a firearm. The incident occurred early Tuesday morning, June 7.

Police were called to the Main Street apartment of Cindy Elfner after she reported that John Norris

had pointed a rifle at her during a domestic argument. The officers arrested the man and seized .22 calibre rifle.

Norris, 29, appeared in court in Lindsay Wednesday and was remanded in custody on the weapons charge.

No serious fires

(from page 1)

the fact a helicopter is standing by in anticipation of any problems.

Fortunately, the fires in the county have been quickly brought under control thanks to a

combined effort of local fire brigades and the ministry crews. "We haven't had any serious fires here, but the potential does exist," Russell added.

To help reduce the fire danger, the local co-ordinator is looking for a steady rain that would soak into the ground and eliminate the fuel on the forest floor. A sudden downpour just won't be of much help, especially if the hot dry conditions return immediately following. A slow

soaking is what the ministry is looking for to reduce the risk of wildfires.

In the mean time, those travelling in the bush are advised to keep their cooking fires small, clear the area immediately around the fire site down to mineral soil, and make sure the fire is dead out before abandoning it. Those precautions, and a steady rainfall should help ensure that wildfires in the Highlands are kept to a minimum.

Taxes vary among six areas

(from page 1)

the same time, though, the municipality's income from sources other than taxation has increased.

The actual tax hike varies in each of the six areas of the municipality. The new mill rate for area one, generally known as the Village of Minden, is 751.542. This is up from 729.213 last year.

The 1988 mill rate for area two, the area adjacent to the village, is 708.542. The rate for that area last year was 686.213 mills.

Area three, generally described as rural areas, will see a new mill rate of 705.542. This is up from 683.213 mills in 1987.

Area four, the Village of Carnarvon and part of Ingoldsby, has its new mill rate set at 710.542. Last year the rate for this area was 688.212 mills.

Area five, the northwest part of Hindon Township, has its mill rate set at 694.542. Last year's rate for this area was 672.213 mills.

Area six, the area surrounding the subdivision in Lot 10, Concession A in Anson Township, has its mill rate set at 713.542. This is up from the rate of 691.213 the previous year.

The greatest honour for athletes at Haliburton Highlands Secondary School is to be named athlete of the year. This year's awards were made at the annual athletic banquet at the Legion last Monday evening. Ron Perrin and Tom MacLeod were each named the male athlete of the year, while Melanie Duchene was named the female athlete of the year.

Members call for 'healing ministry'

(from page 18)

of healing ministry that will support and renew our church and its members in the months following the meeting of General Council in Victoria" passed unanimously.

Throughout debate on the petitions many points were made by delegates. The report was criticized for lacking "clear definitions of words and phrases like 'orientation', 'homosexuality', and 'practicing homosexual'."

While there was some criticism of the way the debate was handled, with some delegates complaining that the wording of petitions was confusing, other delegates praised the way in which their points of view were being heard even by those who held opposite views. As Dr. Richard Boehme of Peterborough said, "We are hearing each other, although we don't always agree."

Interpretation of scripture passages dealing with sexual behaviour often brought different statements from pastors, lay people and professors.

Delegates were told by Conference Executive Secretary Peter McKellar that, when they attend Conference or go to General Council, they are not the echoes of a congregation or presbytery, as if they were members of a political party. They go instead, in their own right, in the light of their own convictions and their listening to other points of view.

At one point a delegate reminded the assembly that it should be sensitive to the presence of people who are homosexuals.

Rev. Judith Vaclavik of Peterborough asked delegates to include heterosexuals in their scrutiny of lifestyles.

Rev. Vaclavik and Rev. Gale Glover, Conference Minister, affirmed the report's sensitivity to persons living in committed relationships without a marriage licence; persons, often elderly who would otherwise be left to a life of celibacy, aloneness and loneliness.

A double standard for ministers - or for heterosexuals and another for homosexuals - would be

the outcome of Conference action, said Rev. Wayne Helliker, Rev. Alan Doerksen and Rev. Bill Wells.

When one petition urged no further study of the issue of ordaining homosexuals until the next century, delegates voted non-concurrence, because they felt they had no right to tie the hands of future general councils.

Some delegates said we must affirm minorities in our midst, such as gays and lesbians, and learn to live in solidarity with them.

Unanimous support was also given to "a full study of the report" and the shaping by congregations of "affirmations concerning sexual orientations, lifestyles and fitness for ministry that both respect our present differences and also reflect the inclusive caring ethos of the United Church of Canada."

Stanhope backs arena costs

Stanhope Township will be making a donation toward the operating cost of the Minden Arena, it was decided at last Wednesday's meeting of Stanhope Township Council.

Council agreed to make a donation equal to \$25 per child in Stanhope who use the arena for hockey or figure skating.

The township had earlier received a bill from Minden equal to \$100 per child. Although council is not willing to pay an imposed fee, it was willing to make a voluntary contribution of a lesser amount.

Stanhope Council also approved another donation of \$150 to the Horticultural Society.

More than 5000 leather-clad motorcyclists from all over Ontario converged on Minden Saturday for the annual Ontario section of the Ride For Sight. The Ontario Provincial Police precision motorcycle team, the Golden Helmets, were on hand to demonstrate their skills, as seen above. Cyclists and their machines, in a variety of shapes and designs, could be seen throughout the community. (see story on page 23)

National Ride nets \$600,000

This year's Ontario Ride For Sight attracted close to 5,000 people and raised \$100,000 more than last year for the Retinitis Pigmentosa Foundation of Canada.

For the fourth year in a row, Minden played host to the throng of motorcyclists from throughout the province, and from several neighbouring states, for this charity fund raiser. Officials estimate that nearly 5,000 people came to Minden to take part in the event, riding on some 4,000 motorcycles. While a number of motorcyclists returned home Saturday after turning in the donations they had collected, most stayed to enjoy the hospitality of the community and the events at the arena and fairgrounds.

Activities included a trade show, featuring a variety of motorcycle paraphernalia, competitions and hospitality centres hosted by the various motorcycle manufacturers. In the evening, St. Paul's Anglican Church served chicken dinners to the hungry participants and they enjoyed a great summer evening around a giant campfire, at the Kinsmen casino or at the Rotary Club's dance.

Sunday morning Minden Figure Skating Club held a pancake breakfast for the participants at the arena, while members of the local Scout troop helped in cleaning up the grounds, assisting their cause with the many returnable bottles and cans gathered in the process.

Once again this year, the Ontario Provincial Police Golden Helmets precision riding team led the main contingent of riders out of the Toronto area. It was estimated that the line of riders strung out behind the OPP contingent

stretched for more than seven miles and took close to a half an hour to pass any one point. A resident watching the parade arrive on Minden's Main Street counted over 1,000 motorcycles in the procession.

Later in the afternoon, the Golden Helmets used the downtown portion of Main Street as a stage, as they presented their precision riding drill to an appreciative audience. This was the second year in a row the OPP team has performed at this event, and they still attracted a large crowd.

Police report there were no incidents of an "exceptional nature" during the weekend. The district stop-check program was in the area Saturday, on the lookout for impaired drivers. A number were apprehended and charged. The police also received several complaints about the noise generated by the large gathering, but generally the community appeared to stand up well under the huge influx of participants that has become an annual affair.

Norah Frood, executive director of the Retinitis Pigmentosa Foundation was extremely pleased with the success of this year's ride. She noted the weather was ideal and the community extended its usual friendly welcome to the motorcyclists. She was most impressed, however by the financial success of the ride. As of early Sunday morning, the foundation had received \$325,000 in donations from the Minden riders. She expected that total to grow as those who were unable to make the weekend, and late contributors add to the amount.

Nationally the Ride For Sight raised \$600,000, according to Norah Frood.

The Archie Stouffer Elementary School girls basketball team recently played a tournament against Haliburton and came out with a 26 - 17 win. Team players, from the left, front row, are Donna-Lee Simmons, Vicky Beach, Tanya Woodcock, and Larissa Gray. In the back row are Karren Little, Kim Smith, Saskia Smith, Tara Kruusi, Erin Lynch, and Jackie Smith. Absent at the time of the photo were Teresa Short, Caty Hynard and Coach Nick Pawluch.

The Archie Stouffer Elementary School Boys basketball team trounced Haliburton 19 - 1 in a tournament held recently, with Jay Hughes netting 10 points. From the left, front, are Jeff Walker, Steven Beaver, Mike Wingat, Jay Hughes, Andy Bacon and Corbie Kent. In the back row are Coach Dave McInlay, Greg Ackersblade, Jamie Walker, Ernie Demuth, Jerry Cooper, Craig Harding, Danny Reid, Robbie Kraemer and Kevin Tousaw.

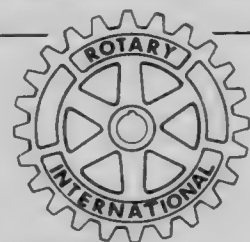

for your service

by Gil Scott

What Rotary would like to explain through these once a month articles in The Times is to outline how Rotary and the Easter Seal Society have joined together to provide necessary assistance for some of our younger residents of this community.

For instance, over the past three years, through

the Society, Rotary has given help to children and their parents for a variety of illnesses and related problems, such as transportation for treatment, accommodation, and special equipment. At times, Rotarians have been involved directly by providing their own vehicles for transportation

to hospitals in Peterborough and Toronto. There are times parents have received financial help from Minden Rotary to get overnight accommodation in those two cities.

Rotary has purchased, through medical suppliers,

the necessary equipment to assist those children and their parents who require financial help.

Rotarians like to think that they are following through with one of their most basic philosophies - Service to the Community. The next time you see notices in and around our village advertising such

worthwhile activities as Bingo or Summer Carnival to name a couple - let it be known that a large portion of what is collected is directly returned to help the children in our community.

Many thanks to the Easter Seal Society and Rotarian Ray Cox, Chairman of the District Health Council.

PLAY IT SAFE!

Never fake trouble in the water. Remember the story about the boy who cried "wolf" once too often?

The Canadian Red Cross Society

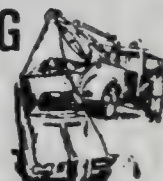

The Minden K-40 club elected their new executive during a meeting at the Pine Ridge Restaurant on June 3. From the left are Norm Harrison, Vice President; Lyle McKnight, president; Larry Amyotte, secretary; Peter Dollo, director, and Don Nye, treasurer.

Our reporters take a final look at the year

voices of hhss

by Katy Beach, Dianne Garbutt
and Heather Donaldson

Well, it looks like this edition will be the school year-ender, and now that there are only a few days until the summer officially starts, we are getting a bit sentimental. After 9 1/2 months of being stuck in stuffy classrooms, the change will be appreciated, but for some, the summer holidays may mean not seeing one's friends every day, and talking for endless hours on the phone (even more than now!).

The year hasn't been that bad, actually, despite what we may say now. Our school teams did pretty well this year, especially our nordic skiers, our archery team, and our track and field team. Football, soccer, and hockey went well, as did field hockey, volleyball, badminton, and all intramurals. All of our teams made us proud, proving that Haliburton can compete with bigger schools - and win!

Everyone knows that the music faculty had a memorable '87 - '88. The band exchange with Stamford C.V.I. in Niagara Falls was great fun for all involved, and it allowed band members in the school's Concert and Stage Bands to meet new people and improve personal playing skills. Speaking of the Stage Band, who can forget that super-success-

ful fund-raising campaign to help the group go to Calgary finals (where they placed in the bronze)? We on the "Voices" crew would like to, once again, thank all those who helped them.

The H.H.S.S. Drama Club had an outstanding year. Our winter talent night was a superb display of student excellence in music, acting, and production, with an outstanding turnout for that time of year. In April, "Inside Lester" was presented, with cast and crew turning in another great show to a most appreciative audience. Thanks to all who made it so special to us!

This year, our school can boast of a student council who really improved our days spent there. Spirit Week was fun for all, as were the various "special" days scattered throughout the year, where something new and unusual was going on. But the one thing that we will likely remember most is the Great Shorts Debate, where the student body won the temporary, experimental right to wear certain kinds of shorts in May and June. Despite some opposition, the matter has slipped into the background, with it not making as much of a noise as most had expected. Here's hoping next year

will bring shorts into the permanent dress code.

The H.H.S.S. Film Club has had quite an impact on our students, especially last week, when unedited tapes were shown in Mr. Wallace's room at lunch hour. They reminded us of the past year, and all the crazy things we did. It seems that Film Club members were everywhere, always capturing our "interesting" behaviour on tape. They did have a reason for this, though, since edited versions of the year were being ordered last week for the price of \$15 - a steal considering what's on those tapes! Not only were sports events, and special activities shot, but almost every Hal High student is on there (many were very camera shy!).

The end of the sports year was marked by last Monday's Awards Banquet. Many awards were presented, with Ron Perrin and Tom Macleod sharing male athlete of the year honours, and Melanie Duchene winning for the girls. Personal seals were given out in gym for other, intramural, sports. Good going, guys!

So, all's been said and done now. The only major worry left is to cope with final exams, and that's enough to get one's mind away from memory lane.

Finals mean studying on nice, sunny days when you could be swimming, and writing on days that seem never to end. Not all will write, though. Exemptions

will be passed out officially on the 14th and 15th to those who have a steady average mark of 66% or more. To those who don't have to do the finals, congratulations; to those who do, good luck, and we hope the weather is horrible whenever you have to write, so your minds won't be elsewhere!

It's been a good year; we can't say it enough. We all have our own special memories of things that happened. But we can't dwell in the past! It's finally summer! We've waited since last September for this! Who knows, the months of July and August could hold something special for us all, if we're lucky. At least we won't have to worry about homework, tests, essays, book reports, labs ... even thinking of it makes one want to leave!

So this is goodbye. Goodbye to the 13's, to our buddies in the next seat in any class, to people walk on the wrong side of the hall, to smelly lockers, to ugly rumours that spread during lunch hour, and to passing notes. We, Dianne, Katy and Heather, say goodbye to deadlines, at least until September! We would like to wish all our friends a happy and safe summer, and we hope to be back at the start of the '88 - '89 year. Thanks!

Until next year ... Katy E. Beach, Heather M. Donaldson, Dianne L. Garbutt.

TOWNSHIP OF STANHOPE

FINANCIAL STATEMENTS

AS AT DECEMBER 31, 1987

AUDITORS' REPORT

To the Members of Council, Inhabitants
and Ratepayers of the Corporation of
the Township of Stanhope:

We have examined the consolidated balance sheet of the Corporation of the Township of Stanhope as at December 31, 1987 and the consolidated statement of operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, these consolidated financial statements present fairly the financial position of the Corporation of the Township of Stanhope as at December 31, 1987 and the results of its operations for the year then ended in accordance with the accounting principles disclosed in note 1 to the financial statements applied on a basis consistent with that of the preceding year.

HUMPAGE, TAYLOR, McDONALD & CO.
Chartered Accountants

Peterborough, Ontario
April 21, 1988
Licence No. 1028

The accompanying notes are an integral part of this financial statement.

TOWNSHIP OF STANHOPE CONSOLIDATED BALANCE SHEET AS AT DECEMBER 31, 1987

1987 Totals	1,018.8 Mills	1,198.4 Mills

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 1987

(a) (i) Basis of Consolidation

These consolidated financial statements reflect the assets, liabilities, sources of financing and expenditures of the revenue fund, capital fund, reserve funds and reserves and include the activities of all committee of Council and the following boards, municipal enterprises and utilities which are under the control of Council:

Stanhope Airport Committee
Stanhope Recreation Committee

All interfund assets and liabilities and sources of financing and expenditures have been eliminated with the exception of loans or advances between reserve funds and any other funds of the municipality and the resulting interest income and expenditures.

(ii) Non-Consolidated Entities

There are no non-consolidated entities.

(iii) Accounting for County and School Board Transactions

The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards, and the County of Haliburton are not reflected in the municipal fund balances of these financial statements. Overlevies (Underlevies) are reported on the "Consolidated Balance Sheet" as "other current liabilities", "(other current assets)".

(iv) Trust funds and their related operations administered by the municipality are not consolidated, but are reported separately on the "Trust Funds Statement of Continuity and Balance Sheet".

(b) Basis of Accounting

(i) Sources of financing and expenditures are reported on the accrual basis of accounting with the exception of principal and interest charges on long term liabilities which are charged against operations in the periods in which they are paid.

	School Boards \$	County \$
Taxation and user charges	724,468	127,135
Amounts received or receivable	724,468	127,135
Requisitions	724,399	126,889
Overlevies for the year	69	246
Overlevies (underlevies) at the beginning of the year	8	(188)
Overlevies at the end of the year	77	58

Trust Funds

Trust funds administered by the municipality amounting to \$158,065 (1986 \$161,700) have not been included in the "Consolidated Balance Sheet" nor have their operations been included in the "Consolidated Statement of Operations".

The above data has been extracted from the audited 1987 Consolidated Financial Report of the Township. Copies of the 1987 Consolidated Financial Report and the auditor's report thereon, are available at the Township Offices to any resident who wishes to review or analyze the financial operations of the Township in greater detail.

Recreation awards presented

Bob Livingstone from the Ontario Municipal Recreation Association was at last Wednesday's meeting of Stanhope Township Council to deliver special awards of recognition to two residents who have contributed a great deal of their time and talents to improving recreation in the community.

Seen in the photo to the right, John Barclay accepts his certificate. Barclay has been a member of the township's recreation committee for eight years now, and was a charter member. For five years he was the chairman of that committee and has been active in work at the tennis courts, the playground, the shuffleboard courts and with bingo.

Seen below, Anna Barry accepts her certificate from Livingstone as Reeve Harry Davis applauds. Barry has been a member of the recreation committee for four years and has been active in a variety

of activities including the flea markets.

Only 38 of these awards will be presented this year in Ontario. Recreation Committee Chairman John Dron had recommended Barclay and Barry for this recognition.

Gilligan-Bourget wedding

"Our Lady of Fatima Catholic Church" in Minden was the setting for the exchange of marriage vows between Sharin Elizabeth Gilligan, daughter of James and Eleanor Gilligan of Minden and Claude Joseph Bourget, son of Andre and Gertrude Bourget of North Bay. Father Clarke Hudson performed the Eucharist and was assisted by Mitchell Beachey. The groom's sister Sandra and her husband Steven Williams sang parts of the liturgy with Sandra's excellent guitar accompaniment. The lovely "Haliburton Guild Choir" led by Marilyn Stouffer sang three pieces, "Our Father", "The Gift of Love" and during the signing of the register the joyful "Take Me To A Rainbow".

The bride looked breathtaking in a white silk beaded pearl and lace gown with flowered headpiece and long train. She carried an elongated bouquet of roses and alframaria and Queen Anne Lace beautifully done by Campbell's Garden Centre. The bride was attended by her maid of honour Therese Fournier, sister of the groom, and her two sisters Erin Gilligan and Gillian Gilligan bridesmaids. The attendants were dressed in sheened rose and lace gowns and carried bouquets of miniature carnations, Baby's Breath and ribbons. Their headpieces were flowered combs made by the bride.

The groom was attended by Brad Fournier, best man and brother-in-law of the groom and his brother Andrew Bourget and friend Brian Guy. The groom and attendants were dressed in Italian silk grey and black dress suits with matching cumberbund.

The bride's mother wore a rose dress with embroidered leaf and white accessories from "Images of Minden". The groom's mother wore a beautiful cream outfit with corsage of white glamia. The bride's aunt Belinda

Brown, formerly of Carnarvon and now residing in Keremeos,

British Columbia was "Lady of Ceremonies" and proposed the toasts to the bride and groom. Mrs. Brown, well known in Minden, was dressed in a cream and flowered designer outfit with matching accessories and

cream gardenias. Guests were received at the Minden Curling Club. Out of town guests came from British Columbia, Timmins, North Bay, Sudbury, Haileybury, Thunder Bay, Geraldton, Sarnia, Burlington, Mattawa, Toronto and Colorado

Springs.

The bride and groom left for a honeymoon to the Manitoulin Islands. They will reside in Thunder Bay where the bride is a registered nurse, the groom attends college and is studying to be a mechanical engineer.

Mr. and Mrs. Claude and Sharin Bourget.

New board at the Guild

by Joan M. Hoad

Welcome to the new members of the Board of Directors, Haliburton Highlands Guild of Fine Arts: - Barb Bolin, Barb Dawson, Jean Farrell, Joel Levis, Claire MacLeod, Margit Moraal, Elva Robinson, Marilyn Stouffer and Marie Wallace.

Do hope you were able to catch the Guild Choir Concert in the Bandshell, Head Lake Park, Haliburton, last Sunday. A much appreciated afternoon.

Like everyone else in the Highlands, Guild members are alternating their volunteer work with Spring gardening chores right now. All are wrestling in some way with that pesky plague of invaders, the Tent Caterpillar! To celebrate our busy year's end here are some final reminders: - Rug Hookers Pot Luck at Bea Everson's, Ingoldsby, Monday, June 13; Weavers at Pat Campbells, Monday, June 13; Knitters at Sir Sam's,

Tuesday, June 14. See you there!

Of course, an on-going project for a small group of us since last September, has been the Guild Summer Sale Committee. From April, involvement has spread out like lake ripples, until now we have a goodly portion of our Community energetically engaged in last minute activities to make sure that as usual, the Sale continues to be a great success once more. Mary Wallace sent out an unusual S.O.S. for all your cast-off nylons! (286-2263). She is constructing a Special Prop for the Sale and we'll keep it a secret and see if you can spot the result when you come to the Sale, yourself.

Cecile McLeod (457-1495) or Claire MacLeod (286-1696) hope that you will call either of them for two reasons: - To register your articles for sale (there's nothing like the quality and variety of Haliburton Highlands craftspeople) and second-

ly, do call and register your preferences for volunteer days, while you have a choice, with Cecile, Claire or Audrey Deremo, (457-1059).

This year, Jim Holmes has kindly agreed to organize our Curlers and other worthy folk into an alert, security team to help discourage those few but persistent shop-lifters, who, like the pesky caterpillars, plague us all from year to year! Many thanks, Jim, from us all.

A Raffle to remind you about: - The Eagle Lake Womens' Association have once more created a delightful quilt and donated it to the Guild. Its delicate colours this year would enhance any

bedroom; fortunate indeed, the person who wins this one! So get some tickets for yourself and your family now - (it's a lucky week, they tell me!)

An interesting sidelight

to June Beene's workshop, which she experienced recently in Barrie, (Computer controlled machine-knitting): June found the work expectations displayed by her

Japanese teacher to be quite different. This lady expected her students to be in place in the classroom fifteen minutes before class and then to be ready to start at the dot of nine!

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File No. RA-87-17)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Twelve Mile Lake, lying in front of Lot 10, Concession 9, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on Thursday, July 14th, 1988, at the hour of 10:00 a.m., a By-law to stop up, close and convey those parcels of land more particularly described as follows: -

Part of the original allowance for road along the shore of Twelve Mile Lake in front of Lot 10, Concession 9, in the Township of Minden, in the County of Haliburton, designated as Parts 1 and 2 on a Preliminary Plan of Survey by Dearden, Stanton, Stones and Strongman Ltd., Ontario Land Surveyors, dated January 19, 1988.

The plan of survey is available for inspection in the Municipal Office, Minden, Ontario, during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 1st day of June, 1988.

senior league

by Pearl Lyle

Hello Readers:

More beautiful weather and more caterpillars. I hope they soon go.

The Rev. J. Burgess had the service Sunday evening, Father Elliott of the Anglican Church had Tuesday morning service and Wednesday evening Mr. Murray of the Allsaw Church held a Bible study.

Woodward Smith of Toronto spent Thursday last week with his mother,

Maron Rose, who resides at Hyland Crest. Bert Harrison spent Sunday with his family at home.

Parent's Day had a large attendance in the auditorium at Hyland Crest. The Rev. J. Burgess gave the blessing for the luncheon. Following lunch, Norma Barron played the piano for sing song. Barbara Todd, Alva Deacon and Grace Coburn were the leaders. Bill Moore's

granddaughter Judy Bird made corsages for some of the parents. Ina McGuire's brother Don Sisson was the winner of the hand made geese family.

Saturday, June 4th my daughter and her husband (Jean and George Hewitt) celebrated their 40th wedding anniversary. There was a large party at the curling rink in Minden in their honour and a family dinner was held in their home in the evening.

Bye for now.

This may be a bad old world but, what courage and goodness can still be found in it.

News from Staunworth Court

Jean and Harry Cowan have returned after a holiday tour through the 'Blue Ridge Mountains of Virginia'. They also witnessed the fantastic colours and intricate forms of Nature as seen in the wonders of the Luray Caverns.

Jean and Art Marsh visited with relatives in Prince Edward County.

Emily Poole spent an extended visit with her family in Napanee.

Eleanor Ferris spent the long weekend with her family in Toronto.

Our deepest sympathy goes out to Eleanor Ferris and family in the loss of her husband and their father. Frank was a very quiet and personable gentleman who endeared himself to us all and will be sadly missed at Staunworth Court.

We are pleased to have Ivy Angliss back home after a lengthy stay in Minden hospital.

I would like at this time to thank Harry Pye, and the Rockcliffe Snack Bar for sponsoring the taxi service made available to our residents here at Staunworth Court Apts. (Harry is our Eleanor Pye's son. We thank you, Harry and Rockcliffe Snack Bar, again.)

Our May meeting proved very successful in drawing up and agreeing upon guidelines for our Social Club to follow. Movies will be discontinued until fall. A vote of thanks was extended to Mel and Doris Foster for looking after this project so well. (Let us keep in mind the barbecues each Wednesday at 5 p.m. Are you ready. Len - our congenial chef).

The month of May was welcomed in here by our wee "Harbingers of Spring", - our Hummingbirds. Have you ever seen their young? They, too, are tiny, - look much like a bumblebee with a beak!

Welcome home Mark and Carrie Vasey. We understand they had a very healthy winter in Florida.

Eleanor Pye and Jean Marsh have been taking part in the Sr. Games in Haliburton.

We are very pleased to see Holly's stained glass craft work displayed in Minden's new shop, Canterbury Tales. Congratulations go to Mrs. Howell who has many articles of local talent displayed so beautifully.

Jean Marsh finished a lovely quilt. Many of our residents helped in the quilting.

A very tasty potluck dinner was enjoyed by Eleanor Pye, Melissa Hampson, and Marg Horsley at St. Paul's Church. This concluded a very happy session of euchre games all winter and spring. We thank the ladies in charge, and also J.

Chilton who very kindly picked us up here at Staunworth. See you all in the fall.

Mel and Doris Foster have returned from a pleasant visit with relatives in their towns on the west coast of British Columbia, Canada's province of beautiful scenery.

Our monthly supper was enjoyed by many of our residents. Many were unable to attend for reasons of sickness and so on. Pot luck meals are so delicious and favour any appetite. We thank Melissa and her committee for a year well carried out. A birthday cake was enjoyed by our May birthday folks along with Carrie and Mark whose birthdays were in April. Many happy days and years ahead, folks - Jean Marsh, Eleanor Ferris, Art Marsh, and Corinne Bonneville. (Oh yes, Happy Birthday, Hector).

Watch for signs for a Bake Sale right here at Staunworth Apts., a tentative date is set for July 16.

Don't forget Father's Day, June 19 - your friend, companion and gentleman.

Now, in response to numerous requests, keep well. Bye.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Q: Why was the farmer angry?

A: Because someone got his goat.

* * *

Q: Which is better to say: the yolk of an egg are white or the yolk of an egg is white?

A: Neither - an egg yolk is yellow.

* * *

Q: What newspaper did the caveman read?

A: The prehistoric "Times"

* * *

Q: What is dark but made by light?

A: A shadow.

* * *

Q: What increases in value when it's turned upside down?

A: The number 6 - (9).

* * *

Q: Where do children grow?

A: In a kinder-garden.

around the county town

by Jeanne Sears. Call 286-1538

At the Club 35 euchre games, last Monday, winners were 50 - 50 Ruby Cartwright, lone hands Velda Harrison, high lady Jeanne Penick and high man Jack Gregory and others Ken Wallace, Fran Clark and Len Trodd.

Happy 45th wedding anniversary and good wishes to Mary and Ralph Schad.

Recent winners of a table umbrella and stand at Dollo's IGA was Alice Cox, congrats to her.

Mr. and Mrs. Roland Sedgwick and Sonya Harrison were among the guests attending the wedding of Mr. and Mrs. Burton Sedgwick at Thunder Bay on May 28th. On their return trip they visited at Geraldton where they had lived for 35 years.

Weekend guests with Pearl and Arnold Cowen were Mr. and Mrs. Al Clement and boys of Scarborough and Amy and Bob Littleford of Toronto.

The Mother and Grandmother banquet was put on by Minden Guides on the evening of May 31st at Minden United Church Hall. Crystal Austen, Louise Howell and Ginny Adamson received their wings. Everyone had a great evening and enjoyed a delicious lunch. Thanks to all the Guides and their leaders.

It is hoped that students are working on their essay contest through Minden Museum Committee with deadline June 25th.

Mr. and Mrs. Rick Lancaster and family of Calgary have been visiting their parents and Grandma Daisy Sutherland.

Winners at the Art Gallery Shuffleboard Club euchre this past week included: high lady - Marg McAfee, low lady - Norma Cook, high man - Isobel Robertson, low man - Marie Dennie and lone hands - Frank Cook.

Congratulations to Kevin Brezina, winner of \$10 worth of ride tickets at the Haliburton County Fair, at a draw last Saturday night at the Minden Agricultural Society's annual beef barbecue supper.

There was Open House at the Robert McCarey cottage at Gull Lake in honour of Jean and Clarence McInerney on the occasion of their 50th wedding anniversary and also Clarence's 75th birthday on Sunday, June 5. We understand it was a complete surprise and all had a great time together and this was by all their family.

At the Tuesday Luncheon games on June 7th at the Legion Hall (Fireside) winners were door prize Joe Dollo, lone hands Clare Brown and others Isabel Robertson, Ada Turrell and Rheta Brown. Next games are June 21st. Contact 286-2733 or 286-2872 for reservations.

The village is looking much better with the Bobcaygeon Road North paved and sidewalks down, a nice walk to the Arena now. Then this week Main St. south was paved, and just in time for the Ride for Sight bikers. Caterpillars are thinning out but will those other crawlers come here and the frost of last few nights, all make our growing season shorter.

The Alzheimer support group wish to thank you for your generous support of our recent Flea Market at Haliburton Legion Hall. Special thanks to The Times for storing the articles. Their next meeting will be June 22nd. Contact 286-2387 or 457-1600.

The Minden Women's Institute June 15 meeting is a pot luck luncheon at Minden United Church Hall at 12:30 with brief business and bring your own dishes and cutlery.

Two groups are requesting articles for Garage or Yard and Bake Sales - these are Minden Legion

Branch 636 for July 2nd and the Museum Group for July 9th.

There was Family Day luncheon at Hyland Crest on Monday, June 6 when family members enjoyed a visit with their elders. There was birthday cake for Winnifred Barnum and she cut this and also made the draw for the stuffed geese which had been on display near the office, with winner being Don Sisson.

Sincere sympathy goes to the families and friends of the late Garnet Paul and Gordon Yakely (Mrs. Paisley's brother) who died since last week.

Only one birthday this week with good wishes going to Isabel Robertson, at Lutterworth Estates.

Verna and Roy McDonald spent last weekend at Niagara Falls at the reunion of 13th Argyll and Sutherland Highlanders.

A bus load of ladies of the Haliburton Ladies Auxiliary of Legion Branch 129 and Minden Branch 636 enjoyed the show "Broadway Bound" at Royal Alex - Toronto last Wednesday night.

Club 35 was the site of a pot luck supper Saturday night and winners were door prize - Edith Russell, most lone hands - Mary Schad, high lady - Rita McCrae, high man - Ralph Schad. Other winners were Ralph Schad, Fran Clarke and Mary Reesor. Congrats to the Schads on their 45th anniversary.

Summer bridge at Stanhope Firehall every Tuesday at 1 p.m. from June 7 - all bridge players welcome. For more information call 489-3300.

Have you noticed the Arthritis Society flag flying at the Municipal Office? Two interesting and informative articles have appeared in our paper recently about this very debilitating disease. The bluebird represents the

hope for a cure through research for the many thousands of sufferers. Area representative - Helen Burton.

Caterpillars

Oh, what is so rare as a day in June?

When the worms crawl over our house.

We wish we could shoot them

Or trap them like a mouse.

We think that we will take a walk

And they follow us out of a tree.

And we say to ourselves in great disgust

Where next will those critters be.

They say it is now ten years

Since we had them here before

And I hope it will be a lot more years

Before they bother us anymore.

Florence Robinson

CARD OF THANKS

I wish to express my sincere thanks for the cards, flowers and phone calls. A special thank you to my family and friends, Wayne, Allan, Uncle Morris, and Uncle Denzil for the rides to and from Hospitals. To Minden and Lindsay ambulance drivers, doctors and nurses at Minden, Civic and St. Joseph's Hospitals. A big thank you to Mom, Sherry and Tina.

Valorie Gilbert

I would like to express my appreciation to the many friends and former clients who sent best wishes and flowers on my recent retirement from the business community.

Mabel Clendenning

- Commercial classified display - \$7.50

CARD OF THANKS

We wish to thank our relatives, friends and neighbours and the nurses of the Minden St. Joseph's Hospital and special thanks to Dr. Holliday-Rhodes and also the Haliburton County Home Support Services for their professional care and kindness in the loss of our dear mother.

The Bull Family

COOPER: We would sincerely like to thank family and friends of our dear father, Arthur E. Cooper, who passed away May 13, 1988, for their floral tributes and charitable donations. We would also like to thank Rev. Moll of Maple Lake United Church where our dad was laid to rest on May 17, 1988. Thanks also to the people who provided the luncheon after the funeral and to Monk's Funeral Home in Minden for their help.

IN MEMORIAM

COLTMAN: Ian Sr. In loving memory of a dear husband, father and grandfather who passed away June 17, 1987.

A faithful husband, one of the best
May God grant him eternal rest.

Sadly missed,

Mary and family.
